

## *Lights, Camera, Campus: A Cinematic Exploration*

**Katihar Engineering College, Katihar** welcomes you to the "**Lights, Camera, Campus: A Cinematic Exploration**" videography competition! We invite you to showcase your creativity and filmmaking skills by capturing the vibrant spirit of our college campus. This event is a fantastic opportunity to explore and document the various aspects that make our college unique.

### **Event Details:**

- Registration Date: June 4th till 11:59 PM
- Event Dates: June 5th to June 7th (Video shooting)
- Final Submission Date: June 10th (Edited video)
- Team Size: Minimum 3, Maximum 5 members (Including the team leader)

### **Guidelines:**

1. The primary focus should be on capturing the essence and diversity of our college campus. Highlight the beautiful architecture, bustling student life, engaging activities, and anything that represents the true spirit of our institution.
2. The video shooting should take place between June 5th and June 7th. However, you are allowed to edit and refine your video after the shooting period, with the final submission due on June 10th.
3. Videos should be original and not exceed a duration of 5 minutes.
4. The video can include voice-overs or incorporate NoCopyrightSounds (NCS) music tracks to enhance the audiovisual experience of your video. Feel free to be creative and choose the option that best suits your artistic vision while ensuring compliance with copyright regulations.
5. Please ensure that the content is appropriate and aligns with the college's values and policies.
6. All team members must actively contribute to the video creation process. Collaboration and teamwork are essential.
7. Only one entry per team is allowed.

**Perks of Participation:**

- The best video will be featured on our college's official YouTube channel:  
<https://youtube.com/@KECkatihar> .
- The top three teams will receive certificates of achievement from the college.

**For any further queries or assistance, please reach out to:**

Dr. Dharamveer Kumar Yadav

Head of Department (HOD) - Computer Science and Engineering (CSE)

Don't miss this chance to showcase your videography skills and leave a lasting impression with your captivating college campus video. We look forward to your participation and wish you the best of luck!
